Dear Liquor and Cannabis Industry Representatives:

I am very pleased to introduce Mary Sue Maloughney as the new Assistant Deputy Minister (ADM) and General Manager of the Liquor and Cannabis Regulation Branch.

Mary Sue has extensive experience working in the public service and has held many senior leadership roles within the Government of British Columbia. She was recently instrumental in helping set up the new the Ministry of Mental Health and Addictions and advancing BC's new mental health strategy.

Previous to that, Mary Sue was the ADM for a large operational division at the Ministry of Forests, Lands and Natural Resource Operations and Rural Development. In this busy role, Mary Sue was integral in leading the province through multiple wildfire seasons and performed incredibly in the face of one of the worst fire seasons on record.

I think you will find her proven professionalism and strong people and leadership skills will be an asset to both industry and government. I am excited about all that we can accomplish in the coming year. I would like to say on behalf of Mary Sue and the team at LCRB that we are all looking forward to working with you in 2019.

I would also like to take this opportunity to thank Dugald Smith for stepping in to lead the branch until Mary Sue was able take up her new position.

Sincerely,
